ABOUT US

WHO WE ARE

"Noekaton is a small business based in Bandung, West Java, Indonesia, specializing in handcrafted crochet home decor accessories."

OUR SPECIALITY

Noekaton Craft designs and produces a variety of home decor accessories, including cushion covers, tissue holders, coasters, placemats, and table runners in various sizes. The materials used are greige calico fabrics, with ramie yarn incorporated into the edging."

WHAT IS OUR CREDO

Noekaton is committed to creating products with care and paying attention to detail. We use crochet technique and embroidery technique in each product.

WHO SUPPORT US

We empower women in our community who support us in creating our products. They live in the production area, and their contribution is invaluable.

OUR MARKET

Our market includes collectors, designers, homemakers, and many others interested in decorative items. We have been exporting to Jeddah and Bahrain.
