## Fabric Technology

Radja Jersey keeps you in the best condition, cool and dry. for all outdoor and indoor activities.

- We use technological materials, which easily absorb sweat and fabric construction that does not break easily, fur or stretch.

- Sportswear Printing Ink uses genuine sublim ink which has a color look so the colors don't fade easily for up to 2 years.

## MECHANISM

### Sublimation Print Press process

Radjajersey uses the benefits of the best machines to print every detailed design on every piece of sportswear jersey. Various innovations and freedom of expression in design can be easily but powerfully depicted on the jersey you order!
