## Who We Are

Bina Bordir establish since 2005. With 19 years of experience, Bina Bordir offers strong handmade embroidery design capability, production capacity such as retail and makloon. Bina Bordir is an Indonesia manufacturer handmade embroidery expertise.

## What We Do

Bina Bordir produce a beautiful handmade embroidery with high quality of fabrics and design. We produce a handmade embroidery in Moeslim prayer, Moeslim clothes, Kebaya (Indonesian Traditional Clothes) luxury bedding goods (Duvet cover, Blanket, Fitted sheet, Cushion).

All are made with a high quality of fabrics such as Silk, Cotton, Semi Cotton and traditional Indonesia ethnic fabrics such as Batik and Tenun. Bina Bordir Also offer an originality design of embroidery and trend fashion direction to our buyer. We also accept export purchases to foreign countries such as Malaysia, Singapore, Netherland, America, Australia and Germany.

## What Is Our Credo

Bina Bordir give the best quality of handmade products such as best quality fabrics include Indonesian traditional handmade like Batik and Tenun, we also give our best quality of hand made embroidery and the quality of the original design to all our creation for our beloved customer.
