# ABOUT US

The discovery of a pair of leather shoes labeled as 'made in Indonesia' yet branded for a foreign label in a shop situated in Deventer town square, the Netherlands, served as a catalyst for the establishment of Blankenheim.

Theis oupadaricularly Sveanta, and eitled to icreate a premium leather shoe brand with a global reach.

#### Blankenheim: Crafting Minimalist Leather Goods with a Touch of European Elegance.

Operating from a small workshop in the corner of Bandung city, Blankenheim is dedicated to creating high-quality, minimalist leather goods for men. Our products are influenced by the simplicity, minimalism, and elegance of European fashion.

### Blankenheim's Commitment to Local Resources.

Blankenheim's philosophy is simple: to only use the highest quality local materials and to empower local artisans. By utilizing nearby resources, we strive to compete against well-known international brands while also supporting the local business community.
