

KIRAPASSA

Kirapassa is a manufacturing company based in Bandung, Indonesia. Focusing on knit fabric on our products material. Our main products is multifunction blanket.

We are using Indonesian Ethnic pattern that still relevant in this era in our products.

We try to give the value of warm embrace through the product to customers. Although Kirapassa was designed for individual's lifestyle, it appeals to others with similar lifestyles.

WHAT WE DO

Kirapassa produce knitted acrylic fabric, that processed to be blankets, table runner, outers, and another products made from knitted fabric. Using machine for the main fabric with pattern so the production process can be faster and do handmade finishing process for some products that need it.

WHAT IS OUR CREDO

Kirapassa commit to produce the best quality products, and keep the exclusivity of product design given by customers.
