## WHO WE ARE

Dyns Footwear is a local Indonesian brand with a big vision. We have all secret ingredients to grow bigger. We are also available through online channel platforms in several established market places, such as Tiktok, Shopee, Lazada. Whichever your shopping preferences are, Dyns Footwear will always be there to fulfill your needs.

## WHAT WE DO

Our company's dedication to quality craftsmanship of Indonesian handmade fabrics such as Ethnic Materials, and Goni, alongside natural resources like burlap, and wood skin, sets us apart. Complementing these materials.

The inspiration behind the designs is bohemian, summery feeling with aluxurious finish to meet the needs of modern women, whether in a big city or on holidays. Our collections are meant to completewomen out there in their daily role.

We understand that, as a woman, we have many different roles and deal with so many expectations every day. No need to worry because DynsFootwear always ready to accompany you for being the best version of you!

## WHAT IS OUR CREDO

We keep innovating Increase Productivity and work efficiency by promoting Indonesian culture and therichness of Indonesia's nature. Produce comfortable, fashionable, and environmentally friendly sandal products. Establish good & professional cooperative relationships with consumers, suppliers, and other work partners. Prosper employees. And provide social contributions to the community
